

## Young Chefs Fighting Boredom Project Plan

1. We will be engaged with meeting each other and introducing our schools, cities, life styles and cuisines in the first month of 2021. During the introductory period various online means of communication will be utilized.
2. In February, we will upload videos, thinglink links, descriptive texts and pictures in our hometowns page on twinspace.
3. In March partner schools will introduce their local cuisine and give the recipes of their favorite local dishes on zoom and following the zoom meetings, upload their recipes as text files, videos or power point presentations on twinspace.
4. In the first two weeks of April, partner schools will try the recipes uploaded on twinspace by other partners and share their videos and pictures, and also write about their opinions.
5. 19-22 April, project's final product, Story Jumper travel and food e-book "A Journey of Taste" will be put on twinspace and published on schools' web pages.
6. 22 April, we are closing the project with an online farewell meeting.
